Army Teams Play Both Good and Bad Ball at Rio Grande.

good soldiers as they can play baseball, mparatively speaking, Uncle Sam can feel perfectly safe about his citizens down here on the border. This was conclusively proved Monday afternoon, when two regimental teams from the Massachusetts national guard upheld their baseball prestige at Rio Grande park, by defeating two teams of regustate Army league was officially re-

sumed after a layoff of over a week, due to the muddy diamond. Games will now be held daily, except Sunday, weather permitting.

Quite a bit of hitting featured the headliner of the afternoon between the Massachusetts artillery and 23rd (regular) infantry, the artillerymen coming through and winning easily by the rather overbearing score of 24 to 2. It seemed impossible for the infantrymen to stop the ball after the third inning, with anything short of a basket, and hot rollers sizzled through the unprotected diamond for a total of 17 runs in the third, which is a record in these parts. As a result of the weakness of his team, chaplin Horace Choulnard, manager of the dough boys, shifted his lineup a good deal and had quite a presentable team toward the last.

Of the Massachusetts artillery club little need be said, the score being illustrative of the heavy litting powers of this organization. Among the names on the roster of the artillery nine are scattered players of former Harvard fame, such as Percy and Minot who gave an excellent account of themselves Monday afternoon, against the twirling of 'Swede' Carlson, of the 23rd and a one time acquisition of the Feldman club of the Commercial league. Harrington, a lanky young fellow, started for the Massachusetts bunch and wound up with honors flying, the dough boys being unable to touch his delivery for successive hitting.

IN BOYLAND

M YRTLE AVENUE STARS have objected to some of the men used by the All Star team, claiming that there were one or two Teday claiming that there were one or two loss who did not belong to any of the Boyland teams, and so were ineligible to 555 land teams, and so were ineligible to 574 play. One of these was the man from 478 the Commercial league, formerly from 471 St. Luke's coilege. It would be better 477 if no outsiders were used on this All Star team, as then there will be no kick coming if the Myrtles are de-Pet Rick c

to be played on some week day, as they

MORAN AND MORRIS FIGHT TO BE HELD

Tulsa, Okla, Aug. 19.—Having received word from lieutenant governor M. E. DOUGLAS-PHOENIX MOTOR CAR RACE IS PLANNED

CAR RACE IS PLANNED

Phoenix. Ariz. Aug. 29—in default
of races from El Paso and from the
coast, the great automobile contest of
fair week in November is to be a motor
car race from Bouglas to Phoenix. A
number of local men will enter cars, a
half dozen will be owned in Douglas
and Bisbee and several are expected
from El Paso. It is believed that such
a race, much of it over the excellent
ronds that have been built along the
route by the state, would form an excellent advertisement of the Borderland
highway.

In addition, there is some prospect
for an international race, to be started
at Hermosillo, Sonora, to be run
through Nogales and Tuscon to Phoenix, also for fair week. The matter
has been placed before the officials
of the Mexican state and has met with
keen support,
